 <p>The diagram consists of several horizontal line segments of varying lengths and positions, arranged in a roughly rectangular shape. The segments are located in the lower-left quadrant of the middle cell. From top to bottom, the segments are: a short line on the left, a longer line in the middle, a short line on the right, a short line on the left, a medium-length line in the middle, a short line on the right, a short line on the left, and a short line on the right.</p>
